

Advantage Therapy Centers

Our Comprehensive Outpatient Rehabilitation Facility

Welcome to Advantage Therapy Centers! Attached is your paperwork that needs to be completed prior to your initial evaluation with our therapist. If you have any questions or need assistance regarding this paperwork, please do not hesitate to call our facility.

Since you are about to begin Balance Therapy with us at our comprehensive outpatient rehabilitation facility, you are entitled to our social service program as part of your overall treatment. Within a few weeks of your rehabilitation, our social service staff will schedule a brief appointment with you. We want to make certain that we are doing everything possible to assist you with your care by providing information about community resources that may be assistance to you.

If applicable, please remember to bring your prescription from the referring physician, a referral from your primary care, copies of your insurance cards and your co-pay.

Thank you for choosing Advantage Therapy!
